DRAWINGS**

6:30 – 8:00 pm @ THE NORVA CENTRE, 177 GREEN ST

We are inviting all artists of all shapes, sizes and abilities to sketch the still life set up, practice perspective, and try gesture drawings with our moving model on the first Friday of every month from November to February. These workshops are **free** and non-instructional. Bring your own materials (use any media you wish) and bring a snack for break time! Karen Clark will facilitate this month's workshop.
